My Dear Bertram

I was pleased to get your letter & glad you & Bessie are well and doing well at school. Since you left we are loading our fourth Vessel. One big boat took all the Pickets we had in the yard, and we have one in now, and it is so wide it will not go up in the slip, it is four feet wider than the Grace Holland, and she carries a deck load seventeen feet high. I hope you all have a good time at Grannies. Best love from Daddy to Bertram & Bessie

MINISTER

Mrs. C. W. Pitt,
COLLINGWOOD, Ont..

My dear Mrs. Pitt,-

The Collingwood Enterprise of July 7th.
has just come to hand, and I am greatly saddened and shocked to
read of Mr. Pitt's death.

The little account in the paper is justly
complimentary to our good friend Mr. Pitt. He was a true #
friend and a man of sterling worth. Since reading the paper
I have travelled un the creek at Collin' Inlet with him again,
through Johnnie's lake &c.&c.. I shall never forget the
summers at the Inlet. He was always with me in every venture that
seemed to be in the interests of the little community, and I
tried to assist him in every way possible. I appreciate more
than ever I did our close associations together. Indeed, and
you will understand me, when I say, that we had a great time
together in the early summer or late spring before the arrival
of his family. We ate together and had much in common. I
need not say to you that I thought a great deal of Mr. Pitt.

It will be a great loss to you. I hope
that Bertram and Bessie are both well and that they will be all
that a son and daughter should be in this dark hour of your
experience. May the love and compassion of your Heavenly
Father be yours abundantly in your sorrow. Mrs. Pilkey
most heartily joins me in kindest and most sincere expressions
of sympathy. We trust that you will cling to the great
fountain Head whence all comfort comes.

In profound sympathy to you and yours,
and with respectful appreciation of the manhood of our esteemed
and beloved friend who has gone from us, I am,

Faithfully yours,
